## COLUMBIA ALL STARS

Charlie Allison, Manager

COLUMBIA, S. C.

Dear Sir,

I regret to state that we have a very bad park on the 30th of April. Due to the fact that your boys arrive very late and we thought that they wasn't coming. And I already <sup>had</sup> ~~had~~ <sup>cancel</sup> the reservation for the rooms. So I told your boys ~~that~~ <sup>when</sup> they arrived that we wouldn't make as much money as we would have if they had gotten here on time. And if they want to play now it would be alright with me. But I couldn't make the guarantee good after they got here so late. Incidentally we started the game at 9 o'clock.

Sincerely yours  
Charlie Allison
